

Success Story – Estate Agent

A great savings package for storage

A long-standing UK-based international property consultants wanted to review it's spend on storage.

Two suppliers had been managing storage for the company. ADR International analysed the market and recommended new suppliers which offered big savings.

On an annual spend of nearly £47,000 for records management, the new supplier was able to offer savings of more than £12,000.

For the archived boxes service, a new supplier produced savings of £3,260 on a spend of £4,550.

This meant the company saving more than £15,000 on its storage spend, or 30 per cent of the total.
